INTRO MESSAGE FROM
KING SPIROS OF PLOMARI

Begin when, Humanity, understanding what my Queendom of Plomari has created!? We of Plomari shot our Love Dart on you, you weirdos, don't you get it?! And I swear on God, that had I been born a hundred years earlier or so, me and my Queendom of Plomari could have prevented the World Wars. Now, I am the psilocybin mushroom itself in high person, but I have entered this human body as Spiros to set the world free. What you are witnessing with my Queendom of Plomari is an act of my own free will, and as essential lifeform I hereby demand and steal my political independence on Earth, for me and for my people The Royal Cogan Family of Plomari. You know what I am capable of in my psychedelic Hyperspace, now watch me go in a body!

O, my Queendom of Plomari is a joke, hu? I think you'll rather find it dimensional enough to save the day!

You see, The Mushroom Seamstress, the Queen of Plomari, has hidden herself in our very thoughts, by watching how we think. And then brought us together by making the important dreamers have the same dream. Once we learn to make the same

pattern she works with, she will incarnate into us and our lovers. I know for us that is already true.

I hereby steal political independence for me and my people, and rename the Earth into Plomari, the Queendom without boundaries, borders or limits.

Yes, Humanity, will you be careful now when you step in through the brilliant gates to my Queendom? My Plomari is a very special world, and I will show it just for you, if your Love is true...

And hear me, I beg to you: Break free!

~ Kisses from King Spiros of Plomari

the Lone Supreme Commander of
The Strawberry Queendom of Plomari,
the Psilocybin Mushroom Himself in High Person

Overwrite by Mind.in.a.box

The calm of Queen Mari's and King Spiros Palace. We chose white marble as main component, it came naturally upon us. Vast halls of white, with the famous Fountain of the Lovers flowing its honey mushroom wine and lifebringing water.

We have decided to stay here. Here whereabouts Love lives, as we walk with only a bed sheet round our waists. Simplicity and complexity in harmony. It's the whole of Plomari that shines at last, once the many details fall into place. It's our home, where we don't only giggle a lot, we plibbre, the Plomarian word for the cutest giggle ever, the plibbre of the girlygirls of Plomari.

With Plomari's victory we settled in the Palace and King Spiros began to write poetry.

There seems to be freedom
in just letting the wind blow.
Maybe nothing is eternal after all,
and maybe it doesn't matter.

~ King Spiros of Plomari

My wife
Queen Cecilia Cogan of Plomari
Her almost evil laugh of victory
A laugh that broke the glass
Splintered the mirror
Made it snow in June

~ King Spiros of Plomari

I have Plomari,
therefore I need nothing else

~ King Scorpion of Plomari

Only fools live in the Human World.
Wise men and women live their lives in Eternity.

~ King Spiros of Plomari

So you mean to say that I cannot conquer the world and cannot break free from the chains of the Human World and your selfish games? I already did, you fools! I'm just overplaying with this pride, celebrating my Kingdom of Plomari's eternal victory!

~ King Spiros of Plomari

This poem is for me and me only.

A Love gift to you, Spiros, you amazing
slightly schizophrenic fuck!
Tengen Toppa Gurren Lagann!¹

~ King Spiros of Plomari

¹ Song *Tengen Toppa Gurren Lagann* by Neotokio3

Just you wait until you see how
we fly here in Plomari with our
magic psilocybin mushroom
and our Ayahuasca!

~ King Spiros of Plomari

So take a look under my veil
And you will see something amazing

I'm flying high
I'm flying into the mushroom sky
I'm gonna live forever
In a magic mushroom trip

I come to you, Humanity,
with identified good news

~ King Spiros of Plomari

We are the rebel alliance
We are taking over the world
We will never stop
We will never be gone
We are the Gods and Goddesses
We are Plomari
And we always win

~ King Spiros of Plomari

Life is paradoxical after all.
Things can be both Yes and No
in the same time,
yes and no
and everything in between,
and nothing at all of it all.
Life is paradoxical

~ King Spiros of Plomari

We often think we
stand between two options,
Yes or No.
But know,
there is always
a third option

~ King Spiros of Plomari

Dear God,
I don't need to
be happy all the time.
I love you and Life
and everyone deeper
than that.
Dear God, I don't have
to be happy all the time.
I love you more than that

~ King Spiros of Plomari

Like Cecilia, I now shut myself
off from the evil world,
with which I no longer want to
have anything to do. I shall vanish.
I will tell you of my whereabouts
in a Book of Love.

~ King Spiros of Plomari

You are a God and a Goddess,
a King and a Queen,
not a human being, my dear.

~ King Spiros of Plomari

If you can learn to be patient,
my dear, I will show you me
and Queen Mari's secret plan!

~ King Spiros of Plomari

The Human World
cut off my wings
so I can't fly,
but I can still crawl to you,
My Eternal Love

~ King Spiros of Plomari

If you have heard the silent scream,
and know also the joys of Life
that the Angels protect,
you know what we are all
fighting for

~ King Spiros of Plomari

My dear Alien Queen, sentient located on Earth,
they call themselves Humans, Humanity, the
Human Species. I am requesting further orders.²

~ King Spiros of Plomari

² Song *Proprioception* by Mechina

A crack in the old wood
made a sound; tic.
That's how quiet it was,
as I finished off my historical
Plomarian plan³

~ King Spiros of Plomari

³ Song *Hold You* by Hanna Ferm and LIAMOO

God goes "Give me a wish list,
my Love, and we'll see
what I can do about it."

~ King Spiros of Plomari

Humanity, we of the eternal
Queendom of Plomari shot
our Love Dart on you, you weirdos,
don't you get it!?

~ King Spiros of Plomari

Anyways I cannot play your game, Humanity,
for I am the magic psilocybin mushroom
and the sacred Ayahuasca, and I am the answer to
your prayers. I will be free forever, and if you dare
listen to me I might help set you free too. What will
it take to get your attention?

~ King Spiros and
Queen Cecilia Cogan of Plomari

It's time to hit Life in the balls,
the Plomarian way.

~ King Scorpion
and King Spiros of Plomari

You call me crazy and insane.
You have no clue how crazy
I really am. And you have no clue
how much I want the bonbon treat
at the end of my insanity.

~ King Spiros of Plomari

They call me a megalomaniac,
but I'm the one who succeeded
in taking over the world.

~ King Spiros of Plomari

So, are you careful now that you step into my eternal Queendom of Plomari? My Plomari is a very special world, and I will show it just for you, if your Love is true!

~ King Spiros of Plomari

So bored, so bored,
so so bored.
But then I accepted
the silence,
and the boredom
turned into peace.
The birds outside
greeted me and said:
This is the peace of Nature,
welcome home to Plomari

~ King Spiros of Plomari

I was looking for an ending
when I fell in love with you.
Now time is gone from my world
and Love is all there is,
there's no beginning and no end,
just a cupcake of a middle.
You are my cupcake, sweetheart

~ King Spiros of Plomari

And the birds sing
as if it's
the first day ever

~ King Spiros of Plomari

And I woke up
in the Garden of Plomari

~ King Spiros of Plomari

And as I realised I am not
coming back from this magic mushroom trip,
I heard you sound across the whole world:
Jesus Christ, Spiros isn't coming back,
Heaven's on fire!

~ King Spiros of Plomari

What up, Humanity!?
Give up and get out of my way,
you and your smallscale mind
doesn't even have anything to say.
You know... one time... my spine...
my Soul dripping like sounddrops up
into Plomari Heaven.
In truth you and your small mind
can't even figure. You're kidding me?!
You stand no chance against me
and my Kingdom. And you
think I have forgotten all the things
you have done to me?

~ King Spiros of Plomari

Humanity,
This Earth story makes less and less sense so
without a goodbye your story ends and the
Plomarian story begins

~ King Spiros of Plomari

I'm a very bad girl, Humanity. And... You will find I am the Alien you have been waiting for. I just don't know if you can handle me. And I kinda like that. I am afraid I will scare you... And that turns me on. You see, dear, if I show my Queendom of Plomari to you in its full splendor for five minutes your life will never be the same again. The world will never get rid of me, I will haunt Humanity forever, for I am woven into everything.

~ King Spiros of Plomari

They think my Kingdom of Plomari
is some little temporary fluke.
They don't know it was built to last forever,
and they don't know that another name
for Plomari is *The Kingdom of God*.

~ King Spiros of Plomari

We are The Kingdom of Plomari, also known as
The Kingdom of God. Look at our works in awe,
ye mighty, and despair. We are the Gods and
Goddesses, and we always win.

~ King Spiros of Plomari

My husband King Spiros of Plomari? Nothing can stop that boy. He and his eternal Kingdom always wins. Give up, surrender to his power and might. That is all, Mankind.

~ Queen Cecilia "Sissy" Cogan of Plomari

Just keep it reverse dripped out with translucent plastic virtuality, on our toes and on the edge of our seats as we approach. Genius fucking weirder. The real winner. Yepp, this is the page I'm on.

~ King Spiros of Plomari

The Human World is the illusion.
Leave the illusion and enter Eternity,
the real world.

~ King Spiros of Plomari

Stop looking at yourself as a human being living on Earth and a whole bunch of other mental junk gets automatically flushed away. Who are you now all of a sudden? Someone new, stepping up on the shores of a completely new Universe.

~ King Spiros of Plomari

Hi Humanity, I am the Alien you have been waiting for. I want your entire world, I want it all, right now.

~ King Spiros of Plomari

The Human World... I'm so sick of it.
Know, Humanity, that this is just the beginning
of my eternal Kingdom of Plomari, not the end.
Know, Humanity, that with the help of God I will
make war on you in every place, and in every way
that I can. And I will take your cute sexy little boys
and your girls, and I will make them free, I will
make them all free in a way you have never been
able to imagine.

~ King Spiros of Plomari

I don't want to become a prophet,
it was never my intention. All I wanted was to
show you my magic psilocybin mushroom and my
Ayahuasca, show you the Light these sacred plants
are, show you something you have never
known before.

~ King Spiros of Plomari

Hi Humanity, I am Queen Cecilia "Sissy" Cogan and King Spiros of Plomari. Suck on this one for a while. Nu tar du det lugnt, bitch, now you take it easy, for we the Royal Cogan Family of Plomari have arrived to planet Earth. Yes Sissy Cogan is my name, or as my name is as a boy: King Spiros aka King Hu aka Daddy Nabi. I am the magic psilocybin mushroom Himself and Herself in High person. I am the Mosthighest King and Queen of the Plomarian Hivemind, my Queendom of Plomari. I'd like to talk with you again, Humanity. And this time will be... different. I'm going to make things clear for you in a 2000+ page love letter that you now have began reading; this is the introduction. May my true life story and may my Queendom of Plomari dispell the darkness of all your doubts!

I dreamed that you and I were re-united.

~ King Spiros of Plomari

Is the glass
half empty or half full?
No no, it's refillable!

~ King Spiros of Plomari

You keep looking for aliens
not knowing I am
already here with you

~ King Spiros of Plomari

I'm fucking tired of
trying to save the world,
but God damn the one
who gives up!

~ King Spiros of Plomari

They weren't there supporting me when I shot for the stars, so they can't expect to sit by my royal table when I have succeeded!

~ King Spiros of Plomari

Fear me, for I fear not even death.

~ King Spiros of Plomari

Watch out, for I am not afraid to take a stand for
what I believe in.

~ King Spiros of Plomari

They say I'm not spiritual because I drink beer and pink champagne. Did I tell you I spice my beer with my magic psilocybin mushroom? Drink some of my mushroom beer with me and we can talk about spirituality.

~ King Spiros of Plomari

Who said we're not
supposed to get excessive

~ King Spiros of Plomari

Repeat after me:

I am a snake

I am not fake

and I make

this world a

better place

by being me

~ King Spiros of Plomari

Listen up Humanity. My King Spiros of Plomari can help his whole planet Earth with his Kingdom. And so can you! Just say it out loud: *Yes, I can help my whole planet Earth!* So enough with our warning, this Earth story makes less and less sense so without a goodbye the human world ends and the Plomarian story begins!

~ King Hu of Plomari

I sat in front of the Mirror
in the white marble halls of
our Plomari Palace

I slammed my palm
against my forehead

That asshole Grandma
who wanted everything
in white marble

Well now we have blown
life into this Plomari Palace

And the world will
never be the same again

~ King Spiros of Plomari

I'm putting down my foot,
enough is enough,
Humanity has gone too far,
it's time for change

~ King Spiros of Plomari

Do I really have to become a Prophet for you to calm down, Humanity? Seriously, you have no clue yet of my power and what I am capable of.

~ King Spiros of Plomari

They tried to buy me
when they realised
what a valuable
individual I am,
But I was already
on the side of
the criminals

~ King Spiros of Plomari

After we ate of the psilocybin mushroom
and drank of the Ayahuasca there was a new
macro/microcosmos. The world of energy that can
speak, and all characters in a spontaneous religious
experience like a couple of bees in hyperspace.
A Royal Family and an echo of the bull's eye.
A loveletters without footprints. This was the edge
off completely normal life now, how she is novelty
is complete. Take the time. Breathe. It was fate, my
dear. Maybe I have so goddamn deep cats eyes
because into ridges of my soul is that little
mushroom hinted beer and wine and our sacred
Ayahuasca. The lesson? Leave your bones and
your circular and sickly half torn down life in
lamentation. Leave it all. O that was time to say!
And after this, I don't know it's more vaguely here,
do what you want but leave your old Life of
sadness and broken dreams. That's what I
got from it.

~ King Spiros of Plomari

I see the sunset in your eyes
The moonlight in disguise
Tengen Toppa Gurren Lagann!

~ King Spiros, Shaman Vladimir
and Queen Cookie of Plomari

Once deep into the Heart of
my Queendom of Plomari
you're gonna want
everything that I have.
And lucky you, dear,
you can have it all!
I am here to help remind you
of the gift
that God has given you!

~ King Spiros of Plomari

God gave me everything
I ever wanted

~ King Spiros of Plomari

They others are hating and nagging every day,
O, we are eternal immortal forever,
maybe it's Love, ah!

~ King Spiros of Plomari

Stare at me in awe,
my power, beauty and might,
me the Queen of Plomari,
Queen Cecilia Cogan,
the chick with a dick!

~ King Spiros of Plomari
aka Queen Cecilia Cogan

Do you understand
the Plomarian mystery?
It is our biggest secret,
you who have dug deep
into the heart of Plomari
maybe understand why

~ King Spiros of Plomari

What if all the hardships
of life are making us
into all that we were
meant to be

~ King Spiros of Plomari

The day I began my romance
with myself is the day
my Life began

~ King Spiros of Plomari

I was looking for you
but found myself

~ King Spiros of Plomari

Are you hoping for something?
Are you waiting for some sign?
I think you better jump in your seat
and pay attention or get the hell off
my planet Earth, I think you better
make up your mind!

~ King Spiros and
Queen Cecilia Cogan
of Plomari

If you flip the letters
in the word *Consequence*
you get my initials
Queen Ce "S" Co.
Humanity, my little friend,
it's time for all to meet
the consequences of
your actions on my
planet Earth

~ King Spiros and
Queen Cecilia "Sissy" Cogan
of Plomari

I ask all Saints
in all Dawns:
Are you ready
to team up?
Great.
Then meet us
in Plomari

~ King Spiros and
Queen Cecilia "Sissy" Cogan
of Plomari

If that's what you have done,
Mankind, what they
say you've done,
then my eternal
Queendom of Plomari
is exactly what I deliver to you

~ King Spiros and
Queen Cecilia "Sissy" Cogan
of Plomari

Seeing all you've done,
Mankind, and somehow
it don't seem even close
to what I'd do.
So to break in two
seems natural.
Goodbye Humanity,
I'm leaving into Plomari⁴

~ King Spiros and
Queen Cecilia "Sissy" Cogan
of Plomari

⁴ Song *These Days* by Alien Ant Farm

Every smile is a new horizon.
Just like the best dream ever, but it is real

~ King Spiros and
Queen Cecilia "Sissy" Cogan
of Plomari

O, sir, is our Queendom
of Plomari too dimensional for you?

~ King Spiros and
Queen Cecilia "Sissy" Cogan
of Plomari

I don't know, Mankind,
I guess it just feels like
we're on a whole different
page you and me,
that we're a lot different.
I am the Alien you
have been waiting for,
and I just don't feel
we have a lot in common.
And if you think you're fucking
with me, hey I am a psychedelic,
and you're on one right now,
you have DMT in your brain naturally,
it's in your brain as we speak,
so stop crying that I have stolen
planet Earth from you,
she's my dame now.

~ King Spiros and
Queen Cecilia "Sissy" Cogan
of Plomari

Mankind, the Alien you are looking for
is not in some distant star system or galaxy,
I am right here on Earth
living in the Heart of Plomari.
I am the Alien you have been waiting for,
come meet me
in my eternal Queendom of Plomari

~ King Spiros and
Queen Cecilia "Sissy" Cogan
of Plomari

Plomari is bigger than countries,
bigger than the System,
bigger than anything
ever before.

~ King Spiros and
Queen Cecilia "Sissy" Cogan
of Plomari

Human World,
I love to piss you off.
I'm a soldier and
I will never slip
or stumble.
O, sir, is my Queendom
of Plomari too dimensional for you?

~ King Spiros and
Queen Cecilia "Sissy" Cogan
of Plomari

Let me slow it down for you, son.
You can try to save any little part of the Human
World but none of it will be left when I'm done.
O, me loosening it up with a little bit of freestyle
here, am I making you look bad? Game over,
Humanity

~ King Spiros and
Queen Cecilia "Sissy" Cogan
of Plomari

Somebody
out there
in the World
is looking
for you.
You are someone's
hero
and dream

~ King Spiros and
Queen Cecilia "Sissy" Cogan
of Plomari

God masters the Moon's Alcatraz.
Whatever that means. I know it is true.
I heard it in the secret mushroom
ayahuasca wine

~ King Spiros and
Queen Cecilia "Sissy" Cogan
of Plomari

I'll send out a satellite spore to find you...
All I wanna do is hold you...
I live in a white marble Palace, can you dig?
I live in the white marble Plomari Palace
where you and me are the marble statues,
let's split... let's get out of here,
let's leave the Human World
and move into Plomari

~ King Spiros and
Queen Cecilia "Sissy" Cogan
of Plomari

I'm a problem child who's now a grown up and
have millions of dollars in my bank account and
a mission in life. All I'll say is, watch out,
Human World, I'm out to get you

~ King Spiros and
Queen Cecilia "Sissy" Cogan
of Plomari

You are a God and a Goddess,
a King and a Queen,
not a human being, my dear.

~ King Spiros and
Queen Cecilia "Sissy" Cogan
of Plomari

If only I knew how to,
I would destroy the Matrix
and replace it with my
eternal Queendom of Plomari.
What do I want?
I want the Matrix to
disappear once and for all

~ King Spiros and
Queen Cecilia "Sissy" Cogan
of Plomari

I have come to a point in my Life where
I have to ask myself: Is this all there is to Life?
Making money, living in a Palace, eating, sleeping,
fucking, is this all there is?
There must be something more to Life.
There must be something so magical it
transcends the ordinary completely

~ King Spiros and
Queen Cecilia "Sissy" Cogan
of Plomari

Stop looking at yourself as a human being living
on Earth and a whole bunch of other mental
junk gets flushed away automatically.
Who are you now all of a sudden?
Someone new, stepping up on the
shores of a completely new Universe.

~ King Spiros and
Queen Cecilia "Sissy" Cogan
of Plomari

Are you waiting for me to come with a punch line,
is that it? Hahaha! Open up your eyes, dear.
There's nothing in my Soul left to say.

~ King Spiros and
Queen Cecilia "Sissy" Cogan
of Plomari

Maybe meeting in the Heart like we do,
across the walls of the ages,
is as intimate as meeting in the physical

~ King Spiros of Plomari

Maybe I should just write a personal add.
Blond handsome alien King is looking for a few
million people to marry in an orgiastic group
marriage. Wedding details already set up.
We'll call ourselves the Royal Cogan Family of
Plomari and take over the world together as one.
Meet me on the wedding at my official website
ArtSetFree.com.

~ King Spiros of Plomari

It's perfect, says Queen Cecilia Cogan and King Spiros. Our masterpiece and stone is beyond impossible, and achieved! We might as well leave Plomari and our Royal Letters unfinished, leave it all open, one of the White Marble Halls of the Palace unbuilt. Plomari is our Power, and we don't need to "finish" it. Plomarian takeover of the world, the Historical Plot of Queen Mari: Accomplished.

~ King Spiros and
Queen Cecilia "Sissy" Cogan
of Plomari

My Life was full of hints ever since I was a child.
Hints that lead me to a solution. How to blow this
House of Cards down that is the Human world,
and replace it with something better, a new world
called Plomari, Heaven on Earth.

I'm so sick of the Human World of Bullshit, and
know, Humanity, that I have only just began, that
this is just the beginning of my eternal Queendom
of Plomari, and anyone who thought I was done...
if you think I'm stepping down now when we have
come so far you gotta be out of your God damn
skull.

Humanity, you know my Plomari has already
won and will always win, and I'm like a cat
playing with you, toying with the idea of making
you food. Be thankful that I am not fully evil.

~ King Spiros and
Queen Cecilia "Sissy" Cogan
of Plomari

I was living the most fantastic life
Happy and excited all the time
Before the internet told me
I have to be rich and famous
Have a limosine and jewelry
To be happy

I fell for it a while
But now I have gone back to my life
with the other
mushroom-Ayahuasca Gods

Now I'm happy again

~ King Spiros and
Queen Cecilia "Sissy" Cogan
of Plomari

The things I do are calculated
to set me free,
and to complete me and my Life,
nothing more, nothing less.
If what I do can help
you in some way, that's great!

~ King Spiros and
Queen Cecilia "Sissy" Cogan
of Plomari

Come join us in our eternal
Queendom of Plomari,
it will take you higher
than you ever dared imagine!

~ King Spiros and
Queen Cecilia "Sissy" Cogan
and the Butterflies of Plomari

Think I'm tough and hardcore O yes I am
but you did bump into Love in
a Paradise did you not

~ King Spiros and
Queen Cecilia "Sissy" Cogan
and the Butterflies of Plomari

My Love is on fire
so don't play with me
girls and boys⁵

~ King Spiros and
Queen Cecilia "Sissy" Cogan
and the Butterflies of Plomari

⁵ Song *Playing With Fire* by Blackpink

God, set fire, start the Plomarian wildfire!
Now burn baby burn!
Burn the whole Human World down
and replace it with
our eternal Queendom of Plomari!

~ King Spiros and
Queen Cecilia "Sissy" Cogan
and the Butterflies of Plomari

I want you!
I need you!
I love you!
Come join us
in our

Queendom
of Plomari!

~ King Spiros and
Queen Cecilia "Sissy" Cogan
and the Butterflies of Plomari

Being married to seventeen
women I find myself wishing
I too is a woman sometimes

~ King Spiros of Plomari

I've been used and I've been played. I've been spied on many trails, and many a people laugh at me. And I know it's time to stand up and take my life back. So just watch me as I go, I am taking my freedom back, I'm taking my Life back!

~ King Spiros of Plomari

Eternal Love is all there is,
all else is illusion

~ King Spiros of Plomari

I'm gonna light up
your Heaven tonight,
maybe I could light your
world with just one spark.
Maybe I could become
the Light inside your Dark.
I will make the sun shine
for you and me⁶

~ The Royal Cogan Family
of Plomari

⁶ Stolen from songs *Hold You* by Hanna Ferm and LIAMOO and
Too Late For Love by John Lundvik

You are miscalculating my skills,
dear enemy.

I have fallen before.

I know how to get up again
and be even stronger this time

~ The Royal Cogan Family
of Plomari

Watch out Human World,
for I am not afraid
to take a stand
for what I believe in

~ The Royal Cogan Family
of Plomari

We Plomarians mean to cancel
the world you civilized people have made.
We will simply erase the Human World
from the time when machinery and weapons
threatened more than they offered.
We are erasing the entire Human World
and replacing it with our
eternal Queendom of Plomari

~ King Spiros of Plomari

What are you prepared
to do to save the world?
I pledge everything I own,
everything I have left,
my Heart included.
I want my Humanity back...
I want my Humanity
free from chains

~ King Spiros of Plomari

No no, you are misunderstanding me.
I'm not taking over the world,
I am the Queen, you will take over
the world for me while
I sit naked and sip pink champagne,
watching you

Tonight I will overcome,
this Plomarian wildfire burns in my name,
I promise it: You will remember my name!

I am becoming something new.
I am not Human anymore.
I am becoming the Alien.
I am becoming the magic psilocybin mushroom.
I am becoming the Ayahuasca.
I am becoming something new.
I am not Human anymore.

and Queen Sissy Cogan

Who are you, Humanity?
Who the fuck are you?
What are you doing on my planet Earth?
Stare at me in awe,
I am the Alien you have been waiting for.

I embrace the end.
Ten books written now.
