BOOK II: Welcome Out of King Spiros Life

*INTRODUCTION ::
New Victory Letter
from the King of Plomari*

Now they can count our vastness, the fools. Now they can jot up an estimation of our capacity. O, sir, is our Queendom of Plomari too dimensional for you?

Join the hundreds of millions of people who have joined Plomari the past 20 years and who all weave Plomari into their Lives and their Art!

Together we are the Masters of the World who design everything. How do I say it more clearly so you understand? We design the world, we are the secret writers of the tale of Earth, of Human History, of Life in the Universe.

Join us and become a King and Queen together with the rest of the Royal Cogan Family of Plomari! Here we are all Kings and Queens, blossoming as Gods and Goddesses both together and on our own!

And, dears, we must not forget any little piece of Queen Mari's grand plan! For we and our Plomari will last for all Eternity! There is a saying: Do not haste what is meant to last forever.

Humanity, are you pissed now that you know that the magic psilocybin mushroom is a person and his name is King Spiros of Plomari? You are at least surprised, and a little bit scared we notice! You know when this is done... if you comprehend, the calculated hated subtlety of his Plomarian plan... Stare in awe as our Queendom of Plomari eats the human world alive.

And they say these humans are supposed to be smart... Well say hi to us of the Queendom of Plomari and say hi to the most ingenious trap ever laid. We got a lot of pretty boys and girls that we call Lovers yes together we wit Her Highness like a honey she hiss de story like a snake! Yes She, our Mosthighest Queen Cecilia. Your Life is a scale on her snake skin! The snake is long, seven miles, ride the snake, baby, it is the shades of the Queen's Soul that governs this existence.

What "they" did not understand is that the enemy - we of Plomari - is infinite and everywhere.

The modern world is not accustomed to thinking in such terms.

And so as we Plomarians flash forth from the topmost heights of heaven, we have a victory that is complete.

Pleroma Plomari, Amor Vincit Omnia.

We hope this love letter to you, over 2000 fathoms long, finds you well.

That is all, Mankind.

Signed by own hand,
King Spiros Hu Cogan
and Queen Cecilia Hu Cogan
of Plomari

BOOK I:
Now I Shall Conquer Myself

I found happiness at last.
It was within myself, not outside me.

Seek not happiness outside of you,
happiness you find within yourself.

I am Happiness

~ King Spiros of Plomari

All we need to be is happy, high,
grateful and horny.

~ King Spiros and Queen Kajsia Cogan of Plomari

Humanity, your perfect world has been upset,
and we Plomarians have now taken over the world.
Surrender to our might and splendor!

~ King Spiros of Plomari

So what are we going to
do with all these letters?

~ King Spiros of Plomari

and I am not afraid
to shine in this

I decided to be a virus.

~ King Spiros of Plomari

And now the last final step,
to turn my Alchemical Stone
into a Heart of Flesh,
my Dream into
a living breathing reality.

~ King Spiros of Plomari

I create them too.

~ King Spiros of Plomari

Please know, dear,
that a flower standing on the pasture
is so much more valuable than gold

~ King Spiros of Plomari

—Seriously, Sis, do I have to write more? asked Spiros.

—No I'm satisfied now you can stop writing, said Sissy.

—I'm gone for a while, Dear Ingenious Reader, says Spiros.

Tell Humanity we are here,
and may the Plomarian wildfire burn in God's name

is just a very ingrained criminal organizaion

~ King Spiros of Plomari

don't make this
revolution civilised

~ King Spiros of Plomari

Fuck you I won't do what you tell me

As I was freefalling from the sky
Above Neotokyo
I found the freedom I have been looking for
And as Butterfly and me woke up
We kissed
And we brought our Love and Freedom
Back into the waking world
Home At Last
And we understood at last
That what Life really is
Is the Universe playing with itself

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

I have already won

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

Don't strive for perfection, strive for excellence,
for even in the perfect Garden,
or in the most scenic meadow,
there are broken branches and withering flowers.
And that's alright, for forever is Life changing,
moving... Life is perfect in its imperfection

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

MY DREAM HAS BECOME REALITY!

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

And as I feel now
I think I might just strike first
and ignore the replies

is to be doomed
before we begin.

~ Tiffany Young in her song *Runaway*

And would you know...
I still don't give a fuck
and am the happiest
person alive.
So back up, boys and girls

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

I was born prince in the Royal Cogan Family.
Lived in paradise and thought everyone
lived in paradise until the age of seven.
Left the Palace as a teenager to explore the world.
Lived drunk and happy in paradise for years and years,
exploring drugs and sex.
I became homeless at age twenty seven.
Finished writing my first book
at the homeless shelter at age twenty eight.
Got off the street and wrote
ten more books by the age of thirty five.
Established the Kingdom of Plomari
and moved into the Palace by age
thirty six.
Yes and in this mess I met Queen Cecilia Cogan, Queen Heidi,
King Alpha and Queen Butterfly along the way, which really is
the most important event of my Life.

~ My Life in Short, So Far

PS: I found peace eventually.

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

I'm not afraid of the fire.
I'm am the fire.

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

In the best interest of the Earth,
our eternal Queendom of Plomari
hereby takes over.

Do not interfere.

Babe, it's good we don't fit in.
It means we're not assholes.

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

You are a god, not a human being. Welcome home, baby. We been waiting for you. I know I'm a young King and Queen, but I know just what I'm doing! How do you want it served, my eternal Loves? I am here now. Humanity failed; Our Queendom of Plomari takes over from here. Humanity was a big failure on planet Earth and it's time to begin anew. So unplug the banana and forget about your sapiens, we're moving in Plomari now, and Plomari is a Hyperspace unlike anything you known before. O, is my Queendom of Plomari too dimensional for you? Then wait untill you drink of my magic psilocybin mushroom wine and my sacred Ayahuasca! That'll trip you out into Plomari you be sure!

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

Jag vill tacka för mig.

Bitch, I'm out of here.

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

Did you honestly think I will ever stop?

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

I'm strong enough to say this now: Some of you will never understand me and my eternal Queendom of Plomari. But you know what? Me and my Plomari are just fine without you.

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

Everything is talking to everything talking to everything.

and by the way,
you have a really good rack

She can't stand Humanity any more!
Watch her fury, as she now changes the world.

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

O my Dearest how crazy you are,
I said when nothing can win over Love and God!
Then why do you worry, my eternal Love!?
Plomari always wins!

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

William! I heard her shout. William! Your will!

Have you forgotten your will?

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

No, wait, maybe I already have had one

I'm dying...

No, you are being reborn

Now you can stop worrying,
now you can be yourself.
You are free now

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

but God damn the one who gives up!
This is not over yet, Human World!

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

And to the governments of Earth and Universe I have one thing to say, you always think you have the upper hand, but now the whole Royal Cogan Family is here, and you don't even understand HOW we have taken over the world. So good luck, dream on that you have a chance against us.

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

And, dear ones, you have misunderstood me all these years...
I'm not taking over the world, you will take over the world for me
while I sit naked in the Plomari Palace sipping pink champagne,
watching you with deep Love and appreciation.

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

You are the pinkest forever I have ever tasted

Look how easily I seduced you
into my eternal Spiderweb.

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

People think money is worth a lot,
it is worth nothing in comparison to what I have.
That's why in Plomari we call it Mana,
Mana is the true alchemical gold.
Mana is the living stone.
Mana is what even the rich cannot buy
but desperately want.
Mana is my magic psilocybin mushroom,
my Ayahuasca, my Cannabis
and my other psychedelic plants

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

Things are rolling great in my Life right now, I have my eternal Victory and I'm just gonna continue doing my thing! I hope my life work and art project and my eternal Kingdom of Plomari can inspire you in some way! Eternal Love from the King of Plomari!

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

I am the Kamikaze pilot
who survived against all odds

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

What "they" did not understand is that the enemy - we of the Strawberry Queendom of Plomari - is infinite and everywhere. The modern world is not accustomed to thinking in such terms. Our Queendom is bigger than countries, bigger than the system, we are bigger than anything ever before. Secretly I think they all knew that it's a very bad idea to play games and war with The Royal Cogan Family of Plomari. The victory of our country and Queendom of Plomari is eternal and has already been achieved, and it will be reiterated and re-emphasised in a huanting way, it will be made clear for all on planet Earth forever on. Amor Vincit Omnia. Plomari always wins.

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

I practice what I call Plomarian Calculationry,
all I do is calculated to set me free,
nothing more, nothing less.
If my Art can help you too
in some way that is great!

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

My eternal Love,
if you can learn to be patient
I will show you that I'm not wrong

~ King Spiros Ecrof Mar
Eht Niaj Cogan of Plomari,
the Alien who wanted to play

Bitch, Humanity,
I am so sick and tired
of your forever talk of Healing.
You speak about healing so much
you create suffering from it!
Bitch I'm healed long ago,
where is my fun, sex, tripping
and where is my pink champagne
in the Plomari Palace!
You wanna be healed?
Don't you know you can snap out of it
and snap into feeling amazing
in one single moment!?

~ King Spiros Ecrof Mar
Eht Niaj Cogan of Plomari,
the Alien who wanted to play

Never laugh at a person's Dream,
it may be the only thing he has
to keep his Heart pumping

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

They said you are naked and poor
You mean nothing to the Government

I said I am naked and wealthy in Love,
I mean everything to God

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

If we were to kiss here they
will call it an act of terrorism.
Let's do it, babe,
and tell the whole world
a final fuck-off

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

You are welcome to take your best shot at me
Show me what you got
I don't mind no more,
I don't break down and cry no longer,
Today I don't weep on the shore
I ride on the waves, I am one with the storm
and one with my alchemical Stone
That moment I walked out the door
was the moment I grew much stronger

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

It is not too late
To chew our shrooms
I am not a machine,
I am something more
I am the magic psilocybin mushroom
I am the Ayahuasca

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

May us find
our final Peace, dear.
May the Light
we are waiting for

My dear King Spiros of Plomari?
That man has had enough
of the Human World, Humanity,
that man has had enough.

~ Queen Sissy Cogan of Plomari

Human World, if there is one thing that I'll decide,
I swear to God, on my own pride,
is that I'll leave you with nowhere to hide,
and I'll fuck you up til the day I die.

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

Dear Humanity, start thinking for yourself and believe in our eternal Kingdom of Plomari, and together we will restore the glories of the throne! Together we are the Masters of the World!

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

Yes you better believe it, Humanity, here comes the Royal Cogan Family of Plomari, taking over the world, just like we did 1931 BC. So take a look around and stare at us in awe. Do you really think that we vanished and fell? We just went underground for a few years, our Family still rules the world like we did hundreds of years ago.

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

I don't need you to believe in me and my eternal Queendom of Plomari, I believe in us enough for all of us.

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

High, Humanity, I am the Alien. Take me to your Leader. I will tell you how to survive without killing the planet.

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

Tell me, what are you prepared to do to save the world?
I pledge everything I own, everything
I have left, my Heart included.
I want my Humanity back,
I want my Humanity free,
and I want my Earth to be safe.
I love you all eternally.

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

Our eternal Queendom and country of Plomari is also a Plea For Peace on Earth. The time is now to change the way we live on Earth and in the Universe. Dear Humanity, start listening to the Plomarian God-Emperors, and together we rule the World! Start thinking for yourself and believe in our eternal Kingdom of Plomari, and together we will restore the glories of the throne! Together we are the Masters of the World!

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

Dear God,
I am alright with
not being fine all the time,
I love us more than that.
I don't have to
be happy all the time,
I love us more than that

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

Talking out loud and writing
is the human spirit,
and forever will we talk
Plomari's grace and eternal Love

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

We may live in our Heads a lot to a certain degree,
but we also live in each other's Hearts you and me

than just being rich

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

Don't be afraid.
Let everything
flow through you

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

I'm becoming something you never will,
because I dared go the whole way,
while you didn't,
so get off my case,
get off my back,
I have to say
Goodbye to you now.

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

Love is the key.
Everything, all the storms
and all the beauty,
everything makes sense with you.

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

Dear enemy,
you can't do anything about it, dear,
the Plomarian Eagle has landed

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

Now they can count our vastness, the fools!
Now they can jot up an estimation
of our capacity.
O, sir, is our Queendom of Plomari
too dimensional for you?

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

I want Bradley Cooper from the movie
A Star Is Born to play me
in the movie about me and my Life

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

Tell me, is it easy to pretend you
play no role in helping the world
become a better place?

Is it easy to pretend your whole Life
that you cannot save the world?

I tell you, the price is great
for being small, and if you don't ever
express your might, you will surely die sad

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

You are trapped in a maze
of pain and desire,
come follow me out of it,
I can take you out of it,
I can take you everywhere

Watch out everyone,
for I am not
afraid
to take a stand
for what I believe in

~ King Spiros Ecrof Mari Eht Niaj Cogan of Plomari

I eat my magic psilocybin mushroom,
I escape from what makes me Human,
and I become something else.
And it feels so much better,
to be this new Alien,
than to be what Humanity is.
I escape from being human,
until there is nothing left but
Peace and Glory,
the Void of my eternal
endless magic mushroom Soul

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

Dear foolish childish Governments on Earth,
can you please let me and my Family
live life as we wish to live,
you stupid fucks.
Well, I know you won't allow us,
so instead we take our right
without your consent!
You smallscale fucks.

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

My magic psilocybin shades
are governing this Existence.
That is all, Mankind,
the King has said his Will.
Meet me in my eternal
Queendom of Plomari

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

I am not a magician she said to me,
I don't even know if magic exists.
I am magic, said I.
Can you teach me magic she asked.
I will show you the way to magic I said
and magic itself will show you everything

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

I really believe we as the human species
can work this whole thing out.
I believe we can make life on Earth
the amazing complex paradise
it is meant to be,
and already is when things are at their best!

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

We the Royal Cogan Family of Plomari ask you, Humanity, when you built the Human World, how the fuck were you thinking, hur har ni fan tänkt? Jag e shit arg nu, I am really pissed off now. In the best interest of the Earth, we the Royal Cogan Family of Plomari hereby have taken over the world. We direct Human History from here.

~ King Spiros &
Queen Mari of Plomari

~ The Royal Cogan Family of Plomari

I cum every time
my King Spiros
gets a new idea

~ Queen Sissy Cogan
& the Butterflies of Plomari

I have the benefit of being a master healer – it's why I'm still around – I've done massive harm to myself, massive harm to myself, my friend, but I refound the joy of connecting with other people through our Queendom of Plomari – even in the blackest dark there is a master that shines – check em out in your nearest mirror.

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

Queen Sissy Cogan giggles and as many arrives.
She is not only one woman, she is many and she is mixed!

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

We need to escape
the prison of mundane consciousness,
and let ourselves fly freely
out into the Ocean of Endless Divine Love

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

I was lying on the floor with shut eyes
when Queen Sissy Cogan approached me.
We fell in love at first sight.
From her I heard the rumour
of the Queendom of Plomari
that night, at the edges of
mushroom hyperspace.
We ran away together
to find the heart of Plomari,
and now that we are here
everything makes sense,
the entire story of our
intertwined lives
makes sense

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

My Dear,
Let me show you how it feels to be complete.
Our eternal Queendom of Plomari
is not on some distant land.
Plomari is in us, and in our actions today.
Plomari is an experience, and an attitude.
Plomari is to be home
I am Plomari

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

I am the girl who wanted to play.
I stand my ground and claim my eternal Victory

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

Listen in the silence for the angels.
Feel all your worries just slip away

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

Dangerous game,
you and me,
having woken up
all shroomed up
in Plomari.
But dearest,
I have planned things.
I have planned
for a long time,
and either you are
with me or not.
Whose side
are you on?

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

We don't know how King Spiros
is moving and we don't know
exactly where he is going with his Plomari,
but he is very intelligent
and we don't think he is joking

~ Mr X

You're mistaking all my mistakes
for my crooked nature.
Don't even try to get
creative on me, Humanity,
instead surrender to
my splendor and might

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

You are not wealthy
until you have
something money
can't buy

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

Once upon a time there was
an angel named Bianca who
prayed for Humanity and Earth.
She prayed for Humanity to break free.

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

We have known each other
for an Eternity.
You know I'm no stranger
in your Dreams.

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

As a young boy Spiros wanted to be a poet.
He wanted to write the best love story ever.
But it turned real. And Spiros saw it: They are to marry.
The world shall marry poetry.
Humanity shall marry the magic psilocybin mushroom.
It is the dawn sound unison of paradise on Earth.
We shall call it the eternal Queendom of Plomari,
The Cogan Dynasty.
~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

Flow like a river to me.
Don't worry, I promise
to ease your mind. Relax.
I know you are exhausted.
Relax, you are home now.
Welcome home to Plomari

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

I am the master
of evil wit chess,
I am the evil witches

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

When your country wants to get rid of your soul.
When your home is on the line.
When bad taste is the standard.
When the elders around you tell you that
the only thing you can do is slide through
life on a shrimp toast.
That's when you gotta leave,
and start sending subversive art
through the public domain.

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

Starting every day...
Until I make it perfect
in every way

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

Stay firm with the Earth— stay flexible. Time cannot brand and fettered we are not. Why bother about truth? The wish to hold truth in one's hand is but an expression of a mind in fetters. There is another way. A happier way, a greener way, a way that is in accordance with what you feel. Is the step to happiness a big one? Take the step. Pass through the Love Gate of Plomari. As James Joyce wrote: A boat will be near, a lifebuoy, Natürlish, put there for you.

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

One orgasmic day you will reach and bite your own tail, you know, Snakesisters and Snakebrothers. Might as well be now. Could have said 'whatever' long ago and bite my own tail. Here. Out. Exit. Home. Now. Yes, I'll take this one. Reach for your tail, bite yourself. Come back home now, Snakelove—Yes, I'll take this one. The End. Brush off the dust, you're home, My Lovest. Pleroma Plomari, Amor Vincit Omnia, Love conquers all. That is all, Mankind.

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

Our eternal Queendom of Plomari,
fired as a centre into the world,
it's what I demand!

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

We never lost hope,
and now we have finally
come home

~ King Spiros
and Queen Sissy Cogan
of Plomari

I weave for us
our marvellous
web Plomari

Weave with me

*~ King Spiros, Queen Sissy Cogan
& the Butterflies of Plomari*

I planned and planted it long into
the boundless ocean of us.

~ Queen Sissy Cogan & King Spiros of Plomari

In Plomari you can dance like no one is looking, I laughed. Plomari already exists, we all laughed, but still there's something new with our Queendom. And we all began to weave together, weaving Plomari into our Lives and our Art, and we took over the world, took it by storm in only a few years. Now Plomari is all I can see, and I have forgotten how life was before our Queendom was born. Queen Cecilia Cogan appeared as many women in my own life, and as the Goddess of the Earth Herself, as the magic psilocybin mushroom, as Queen Ayahuasca, Pachamama. I am immensely satisfied in all ways can be. Daddy Nabi aka King Spiros is bumble bee happy. Now I shall take vacation this summer and just explore the Queendom, just be in love with you, and in love with myself! The plan is to create a Life we don't need vacation from! What are your plans?

*~ King Spiros, Queen Sissy Cogan
& the Butterflies of Plomari*

Everything is possible for me,
I must never doubt, and finally be free

*~ King Spiros, Queen Sissy Cogan
& the Butterflies of Plomari*

You don't have to prove yourself to anyone. Have you tried calm? Have you tried peace of mind coming from the very fact that you are alive, just peace of mind from within? You don't have to do anything special to be loved. Have you tried feeling the present moment as perfect, just perfect as it is? Practice that until you get it perfect, practice seeing the present moment as perfect. Love yourself as you are, you don't have to search the whole world to find peace within. You are peace.

*~ King Spiros, Queen Sissy Cogan
& the Butterflies of Plomari*

Fantasies. Has it ever struck you that all the infinite things you ever imagined has happened within You? No one else but You. All the experiences and fantasies and thoughts and dreams, it happens within You. That's how deep your Soul is, dear! You are an infinite, eternal being!

*~ King Spiros, Queen Sissy Cogan
& the Butterflies of Plomari*

O did the Human World break a little
with the arrival of my eternal Queendom of Plomari?
Ah, it broke a little bit, Hu!

*~ King Spiros, Queen Sissy Cogan
& the Butterflies of Plomari*

God, set fire!
May the Plomarian
wildfire burn in your name!

*~ King Spiros, Queen Sissy Cogan
& the Butterflies of Plomari*

The game is over, Humanity.
Accept your defeat.
Plomari always wins.
Be thankful that
I am not fully evil

*~ King Spiros, Queen Sissy Cogan
& the Butterflies of Plomari*

My eternal Queendom of Plomari
has taken over the world.
Say you love it, say you hate it,
it doesn't matter,
and the show has just began

*~ King Spiros, Queen Sissy Cogan
& the Butterflies of Plomari*

How funny it was to watch
The Royal Cogan Family
make themselves small enough
to be understood by Humanity.
The Royal Cogan Family of Plomari
is much too powerful for many Humans
and they have to be very careful
and show themselves slowly
as to not scare people.

*~ King Spiros, Queen Sissy Cogan
& the Butterflies of Plomari*

Will you stay in the
safe world on the shore,
or dare you dive into
my eternal endless ocean,
the Sea of the
Mushroom Seamstress?

*~ King Spiros, Queen Sissy Cogan
& the Butterflies of Plomari*

Let the Light of tomorrow
come today!
We been hanging on so long,
we been waiting for fucking ever

*~ King Spiros, Queen Sissy Cogan
& the Butterflies of Plomari*

Sometimes, in the name of Freedom,
you have to let your Love spill over,
let it spill over against the rules,
norms, regulations,
and opinions of others.
Use the Prism, loose the Prism,
it may be keyed both ways!

*~ King Spiros, Queen Sissy Cogan
& the Butterflies of Plomari*

Suddenly I heard God laughing and giggling.
I asked why are you laughing, dear?
God said: Because you are so cute
the way you are enjoying the music,
dancing and enjoying! Did you know I
don't only find pleasure in big things?
Just you enjoying the music makes me so happy!

*~ King Spiros, Queen Sissy Cogan
& the Butterflies of Plomari*

It's evident you won't change,
you don't want to help the world
become a better place,
so I say goodbye
to you now.

I have work to do.

*~ King Spiros, Queen Sissy Cogan
& the Butterflies of Plomari*

I believe in the splendor of my own Soul.
I believe I can help my whole planet Earth.
I believe in You and Me, Together Forever.
I believe in Love.
I believe in Kindness.
I believe Humanity can sort out this mess on Earth.
I believe in us.
I believe that happiness comes naturally
to those who think it should.

*~ King Spiros, Queen Sissy Cogan
& the Butterflies of Plomari*

My dear Magic Psilocybin Mushroom,
I don't think anyone loves you the way I do now

~ King Spiros of Plomari

And then all it takes is a kiss
and she's God

*~ King Spiros, Queen Sissy Cogan
& the Butterflies of Plomari*

To start living my Soul's life
is to escape the prison of the Human World.
I claim myself under the Sun
as the magical being I truly am.
Today my Life begins,
and I feel so alive!
I'm gonna do what I like and win

~ King Spiros

I'm a childish independent multitude artist, and this for me means giving up sometimes, sometimes almost daily, while knowing I never really ever give up; I cannot stop creating Art. Creating Art for me is like breathing, it is part of my nature, part of who I am. I even create Art in my dreams at night. And there is a voice inside me that I almost always obey, it's how I make decisions, and it often makes me make irrational decisions.

~ King Spiros

Yes so before I say another word, know that my intentions were pure. But "they" told me I am too much to handle, they banned me from the world, condemned me as a criminal, forced me into exile. But they forgot I always win, and so here I sit, relaxed and happy, watching the sunrise, celebrating our Queendom of Plomari's eternal victory. *Amor Vincit Omnia*, Love always conquers, Plomari always wins!

~ King Spiros of Plomari

The sun at Dawn,
white Light,
talks in dark voice,
God talks,
thundering voice,
it is time, says God,
then we talk for hours.
And I surrender.
I surrender,
and I am finally free

~ King Spiros of Plomari

And, on top of it all,
I look like Jesus, hahaha!
What could possibly go wrong?

~ King Spiros of Plomari

I have Plomari,
and therefore need nothing else.

~ King Alpha of Plomari

Give away everything you have to God,
and God will give you something money can't buy

~ King Spiros of Plomari

It's so hard to say no to
that glass of pink champagne,
or a flask of Honey Beer.
I keep telling myself
I am not an alcoholic,
I'm a full flank pirate,
and pirates drink.
I know I am doing massive
harm to myself,
but I don't really care.
Death feels near,
and I just can't stop this
endless feast with the other
Gods and Goddesses

~ King Spiros of Plomari

Ey yo stop, Humanity, let me put it down another way. So enough with our warning, it's time to face the Kings and Queens of Plomari. In the best interest of the Earth, our eternal Queendom of Plomari hereby has taken over.

~ King Spiros of Plomari

We spilled and dyed the wine of our souls into the waters of Plomarian Eternity and we behush the ocean of our most decisive secret wine, the magic psilocybin mushroom and Ayahuasca, we encaust our souls into the DMT wine and we're Home. You keep trying to figure it out but now that you know that you are dreaming you can do what ever you want, you're dreaming but you're awake, and that is what Life is about, it's up to you what you dream.

~ King Spiros and Queen Mari of Plomari

You are mine, I am yours
and Love united us

~ King Spiros
and Queen Mari
of Plomari

"They" laugh at me and think I'm a fool.
The truth is they are too stupid to understand me.

~ King Spiros
and Queen Mari
of Plomari

My Love is on fire
so don't play with me
girls and boys

~ King Spiros
and Queen Mari
of Plomari

Some people think I am silly for this,
but the truth is I just want to play.
I don't want to take things too seriously,
I just want to create art and have fun.
As soon as I start taking things too seriously
it all loses its charm

~ King Spiros of Plomari

The only way
to complete all this
is to Love even more

~ King Spiros of Plomari

Know, my dear, that I found peace at last.
I hope you have to, and if you have not yet,
I know you will soon

~ King Spiros of Plomari

Pain lost the game
and I settled in Love

~ King Spiros of Plomari

And Queen Cecilia of Plomari
moved like ice. She was cool and blue
like ice, and she changed the direction
of the entire world

~ King Spiros of Plomari

Fuck it I love you
Lana Del Rey
and I'm just gonna live
like it's You and Me,
Together Forever

~ King Spiros of Plomari

My Bonnie, I've been thinking it over.
What if our plan makes like a curse
on Humanity right from the start.
The Plomarian takeover completed
before it even began so to say

~ King Spiros of Plomari

Don't even try to get creative on me, Humanity.
I am the magic psilocybin mushroom
himself in high person and I was here
long before you put your furry
human paw on my mushroom-dotted pastures.
The Earth is my planet and you've been infected
by my Plomarian Virus,
you've mistaken all my mistakes
for my crooked nature

~ King Spiros of Plomari,
the psilocybin mushroom
himself in high person

So understand, I never had the upper hand,
I began from nothing, and I've experienced
things no one else will ever experience.
I found myself in a mushroom trip,
all alone in Eternity,
and built my Kingdom
stone by stone alone

~ King Spiros of Plomari

And here in the land I am trapped on,
they do not know what luxury is.
They don't know what it means to eat that
olive and sip that glass of pink champagne,
They only know the poverty
of mind they grew up with,
they know not the taste of
my red-violet mushroom wine,
and my Plomarian olive to the mouth.
I try to show them my luxury,
but they only call me a fool, the fools

~ King Spiros of Plomari

Come here, babe
I want to show you
the wonders of the World.
I want to show you
all the Light
and all the beauty
that I see!
Take my hand
and follow me
into the Heart
of Plomari

~ King Spiros of Plomari

O Plomari avalanche
please crash over me!
Save me from the
Human World of nonsense
and take me home to
your warm embrace!

~ King Spiros of Plomari

Don't be afraid to shine.
The sun doesn't
and you shouldn't either.
Let the eternal sunshine glow!

~ King Spiros and King Adam of Plomari

I wish I could show you
how I stopped with
the tears and pain.
Well I have tried to show you
in a 2000 page love letter.
Come follow me deeper
into Plomari
and I will show you!

~ King Spiros of Plomari

In the best interest of the Earth the Royal Cogan Family of Plomari hereby takes over. DO NOT INTERFERE. May the Plomarian Wildfire burn the old Human World down in the name of our Higherness our Mosthighest Queen Cecilia Mari Cogan of Plomari!

~ King Spiros of Plomari

If I could but stay here with you
Stay here forever
We a river so silly that we no canna stay

~ King Spiros of Plomari

Let me be famous
for what I believe in,
Love, Peace, Sex
and psychedelic magic

~ King Spiros of Plomari

Sorry, my dear,
but I am still learning to love
humanity after what they have done

~ King Spiros of Plomari

May the psychedelic Sea
of the Seamstress
forever be my home

~ King Spiros of Plomari

I'll paint my attack on bullshit
black and white and easy

~ King Spiros of Plomari

I'm a Yogi, it's just that I'm a Beer Yogi,
I drink beer instead of doing yoga

~ King Spiros of Plomari

You always wanna box me in
You want me to be a poet
You want me to be this or that
But you can't handle my real world
You can't handle the way
me and my wives do our
ass-worship in the Plomari Palace,
our dirtyslutsexgames
naked sipping honey mushroom wine
in absolute bliss.
I'm too much for you,
but that's your loss, not mine,
I will be free forever

~ King Spiros of Plomari

I hope you understood by mjau
and a kiss that this is a loveletter to you

~ King Spiros of Plomari

Everyone is wanting to be so romantic
and here I am just wanting
to drink pink champagne from your ass.
What's wrong with you guys and girls,
do you not know what true freedom is?

~ King Spiros of Plomari

Face your fear, dear!
Face your enemy!
Face it!
Face it!
Face it, don't hide!
You always win, never forget

~ King Spiros of Plomari

I need nothing and therefore I have everything

~ King Spiros of Plomari

I thought maybe if I
ask nicely and politely
you can change your ways,
dear Humanity,
you fucking assholes,
because the way you behave
is not okay

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

Spending days naked
drinking honey beer
in the Palace,
drunk for days on end,
isn't the answer,
but it surely makes
me forget the question

~ King Spiros Ecrof Mar
Eht Niaj Cogan of Plomari

And you tell me I have a God complex?
Let me tell you something:
I am God.

~ King Spiros Ecrof Mar
Eht Niaj Cogan of Plomari

I'm thirtysix years old,
and you and your stupidity
is still forcing me
to do a second teenage revolt.
But I am older now,
and I have bigger toys to play with,
and I have learnt a great deal
since my teenage years,
so like last time, you will loose,
and I will forever be free
and victorious

~ King Spiros Ecrof Mar
Eht Niaj Cogan of Plomari

And so begins the Plomarian revolt.
What are we revolting against?
Tell me one thing that's
actually good with the world.
We're revolting against fucking everything

~ King Spiros Ecrof Mar
Eht Niaj Cogan of Plomari

The awakening has gone mainstream.
They can't stop it.

~ King Spiros Ecrof Mar Eht Niaj Cogan of Plomari

Think I'm tough
and hardcore
O yes I am
but you did
bump
into Love
in a paradise
did you not.

~ King Spiros Ecrof Mar
Eht Niaj Cogan of Plomari

It was so fun to take over the world
that once we had succeeded we pretended
we had not
and did it again

~ King Spiros Ecrof Mar
Eht Niaj Cogan
and Queen Sissy Cogan
of Plomari

And our hair blew
in the construction project of
the ages,
as we with hot courage
built and wove
our eternal
Queendom of Plomari

~ King Spiros Cogan
and Queen Sissy Cogan
of Plomari

And now I must tread
into my own Heart.
The only way for you
to meet me now
is to enter the Heart
of my eternal
Queendom
with me.

~ King Spiros Ecrof
Mar Eht Niaj Cogan
and Queen Sissy Cogan
of Plomari

If my past was preparation
and training for my future
the future better watch out

~ King Spiros Cogan of Plomari

I've said everything
that I will always mean,
and you never cared anyway
so I will always win.
Fuck your ego, bitch

~ King Spiros
and Queen Sissy Cogan
of Plomari

People say we are better off
now that we are not together
you and me.
But it was exactly your madness
together with my madness
that made me feel so alive.
I miss you, my Dear.
I hope we meet in every life time
like we said we will

~ King Spiros of Plomari

For far too long I have seen you abused.
It's time to take your power back

~ King Spiros and
Queen Sissy Cogan
of Plomari

Everyone wasn't as happy as you'd think
when I invited them to
my eternal Kingdom of Plomari.
Some people became jealous instead of thankful,
misunderstanding the entire thing

~ King Spiros and
Queen Sissy Cogan
of Plomari

I will laugh forever.
If you could only feel a spark
of me and my Queendom's glory
you would too

~ King Spiros and
Queen Sissy Cogan
of Plomari

Our Plomarian mission is clear:
We must all become Gods and Goddesses.
Not become; just wake up to
that we already are

~ King Spiros and
Queen Sissy Cogan
of Plomari

We are all divine beings;
why then do we not appear
before each other radiant
in our illumination?

~ King Spiros and
Queen Sissy Cogan
of Plomari

Your Divine Light, My Dear,
makes even the darkness comfortable.
I feel at home in the Chaos
when you are here with me

~ King Spiros and
Queen Sissy Cogan
of Plomari

All these people trying to impress me
with their money and millions of dollars
when they can't even appreciate
ten flowers growing
on the landscape,
or an act of kindness
done for free

~ King Spiros and
Queen Sissy Cogan
of Plomari

The general who is skilled in defense
hides in the most secret recesses of the earth;

he who is skilled in attack
flashes forth from the topmost heights of heaven.

Thus on the one hand we have ability to protect ourselves;
on the other, a victory that is complete.

And so as we Plomarians flash forth
from the topmost heights of heaven,
we have a victory that is complete.

Pleroma Plomari, Amor Vincit Omnia.

That is all, Mankind.

~ King Spiros and
Queen Sissy Cogan
of Plomari

Fall in love with
yourself and the universe!

~ King Spiros and
Queen Sissy Cogan
of Plomari

What are you doing? Mom asked.

Sitting up all night drinking
honey beer and headbanging
to rock'n'roll music,
I replied

~ King Spiros and Plomari

You eat of my magic mushroom
or drink my sacred Ayahuasca
and you dissolve into
one single eternal paradoxical moment
of the Divine.
You are already home, dear.

I *am* home

~ King Spiros and Plomari

I'm a Shaman with a computer.
Watch out, Humanity

~ King Spiros and Plomari

—Hands up King Spiros, says Queen Sissy Cogan. You're under arrest.

—For what? Says the King.

—For being the sexiest man alive, says Queen Sissy.

When you can be as happy for others good fortune as for your own, you will throw your head to the sky in laughter at how much there is to be happy about. Truly then you see the Universe as an infinity of joy, an eternal dance of Love.

~ King Spiros of Plomari

An instantaneous change overcomes my visage at dusk,
I am too beautiful to be seen in broad daylight
and you must practice to experience my full godform

~ King Spiros of Plomari

Are you talking about King Spiros, my husband?
O yes that guy is the magic psilocybin mushroom himself in high
person, he came to Earth, did a 360 spin, and left the planet.
He left you a message though, 2000 pages long,
come read it on his official website *ArtSetFree.com*

~ Queen Sissy Cogan of Plomari

Ya'll go hussling hard while I go smart with heart.

~ King Spiros of Plomari

While they watch sports
and let life pass them by,
I dance with the motions
of God and Goddess
in the Temple of Plomari.
We all make our choices

~ King Spiros of Plomari

Well I want my eternal Queendom of Plomari
to be a *little bit* annoying at least
after all the bullshit Humanity has done

~ *King Spiros, Queen Sissy Cogan*
& *the Butterflies of Plomari*

And "they" say:
Who would ever dare to overthrow
the entire human world!?

We answer:
You obviously have no clue
how hardcore we Plomarians are

*~ King Spiros, Queen Sissy Cogan
& the Butterflies of Plomari*

—Are you insulting me? he asked.

—Yes. I am a mushroom and

I insult people sometimes, said King Spiros.

If you suddenly find yourself speechless
at my eternal Queendom of Plomari
then I will gladly tell you the tale of it

~ King Spiros of Plomari

I just want to point out...
Always when I watch Space documenteries
they say *We humans are so insignificantly small
in comparison to the Universe.*
I know the Universe is bigger than we can imagine,
but this does not make Earth and the Life on it
less significant.
If the Earth is the only place with Life on it
or not doesn't change a thing either.
If we are the only planet with life
that just makes us more significant!
Just wanted to clear this out.

~ King Spiros of Plomari

So once when I was younger,
my neighbour knocked on the door
when I was playing really loud music.
I thought he would complain,
but he just said:

Man, I heard your music through the wall,
and I just have to know what song that is,
it was so good I wanna turn it
on in my own speakers.

I wish everyone was more like this guy.

~ King Spiros of Plomari

Humanity,
I'm like a cat
playing with you,
toying with the idea
of making you food.
We're dancing on a thin line

~ King Spiros of Plomari

The Human world bores me.
People bore me.
You say you a struggling for survival.
While I'm all here a billionaire
in mushrooms and magic.
I lick my wives in bed
on a Monday morning,
while you go to work.
I am leaving now, your puny little
human world, once and for all.
I'm gonna drink magic mushroom wine
from my wives asshole
and celebrate our Life

~ King Spiros of Plomari

Don't try and confine me.
Don't try and box me in to your
smallscale bullshit.
I won't be here waiting for you,
I will be far gone
in psychedelic hyperspace,
I'll be flying in the eternity of Plomari

~ King Spiros of Plomari

Dear Enemy,
you have no idea
how long
I planned this out
in my head.

~ King Spiros of Plomari

Look bitches,
our mission is
to save the Earth,
remake the world
into Heaven on Earth,
and help Humanity
blossom as
the Cosmic Butterflies
we are meant to be.
Anything less is just an
unimportant dithering
while Rome burns!

~ King Spiros of Plomari

I'm a simple man.
People misunderstand me a lot.
I am in love with a girl.
I'm a simple man, I live in a little
white marble Palace
on the sacred landscape of Earth.
In the white marble statues in my Palace
I see the shimmering face
of the girl I'm in love with.
I'm a simple man.
Give me a glass of pink champagne
or honey beer,
and a kiss from the girl I am in love with,
and I'm happy.

~ King Spiros of Plomari

I'm in Love with a girl,
her name is Butterfly.
Butterfly is funny, sweet, intelligent, sexy,
kind and she likes strawberries,
just like I do.
I tried writing her a love letter,
but she hasn't responded yet.
Butterfly is the best girl in
the whole universe.
She is like sugar
and melting ice cream cake.
One day I hope she finds my
love letter to her.

~ King Spiros of Plomari

I had just become homeless.
It was winter.
All I could do was walk away
into the distance.
So I walked, I walked
for miles in the snow.
I carried with me a painting
that I had painted.
I thought I could sell the
painting to someone
to make some cash.
I had no clue what to do next.
I had never been homeless before.

Now in retrospect,
now I know how strong I am.
Surviving that winter homeless
showed me my true strength,
and now there's not a thing that can stop me.

~ King Spiros of Plomari

Let me show you how
it feels to
be complete. Again.
There is nothing outside you
to wait for to be happy,
happiness is all found within yourself.

~ King Spiros of Plomari

I am the voice spread throughout the world
and the word appearing everywhere.
Always respect me, for I am
the scandalous and the magnificent one

~ Queen Sissy Cogan & King Spiros of Plomari

I feel the Angels inside me
They feel what I feel
We are connected through
a mindset and a vision

~ Queen Sissy Cogan
& King Spiros of Plomari

Today the Human World died.
It was too topheavy with its own hubris,
to bent with its own false value systems.
The entire world just vanished
and we just smiled and said
Good riddence to it!
We instead moved in to
our eternal Queendom of Plomari,
our own little world of magic and Love.

~ Queen Sissy Cogan
& King Spiros of Plomari

And after those twenty years
on the seven seas
I decided to never leave
my white marble Palace again.
If you want to meet me,
you'll have to come to Plomari,
for I am staying in my halls of marble

~ Queen Sissy Cogan
& King Spiros of Plomari

May my eternal
Queendom of Plomari
eat the Human World alive

~ Queen Sissy Cogan
& King Spiros of Plomari

That is all, Mankind.
I have taken over the world.
The Earth is mine.
Now give me grapes and a waffle
and a glass of pink champagne,
and some magic mushroom wine.

~ King Spiros of Plomari

“They” are so afraid of me. I walk around naked or with a white bed sheet round my waist all day in my white marble Plomari Palace. The statues of me and my Queens in marble intimidates them so, what an ego trip! I drink my honey beer and magic mushroom wine in my Supreme Plomarian Bliss, and they are so scared of me; The way I love myself and Life, they can’t handle my kind of freedom, and they call me a fool. I’m not a fool, I’m a god, I answer, and they flee my Kingdom, crawling on all fours out of my Palace as if a meteor just struck down nearby. They are so afraid. But I’m not afraid.

~ King Spiros of Plomari

Honestly, I can't understand
how you can act the way you do,
and do what you do, Humanity.
Life is the most precious gift
and you treat it like trash.
I cannot understand you, Humanity

~ King Spiros aka King Hu of Plomari

You think you got
me figured out, Dear Enemy?
Well you are highly illiterate
when it comes to reading my moves!
You are very quick to judge things,
without even taking the time
to get to know me!
Magic mushroom spread!
Spread across the Earth
my dear psilocybin mushroom!
May my eternal Queendom of Plomari
eat the Human World alive!

~ King Spiros aka King Hu of Plomari

Are you insulting me? asked the Human.
Yes, I am a mushroom and I insult people sometimes, said I.
Have you tried eating of my magic mushroom?
It's the most insulting experience you could ever have.

~ King Spiros aka King Hu of Plomari

Who the fuck do you think you are,
Humanity? Who the fuck do you
think you're talking to?
I'm not your fucking slave,
or your mutherfucking toy.
My language is my fist in your face,
my fucking target, I am the
magic mushroom's creation
and my name is...

Please call me Queen Sissy Cogan
and King Spiros of Plomari

(From the song *Call Me Sissy* by Sissy)

And how come two different people
in separate beds have the same dream?
I can feel the magic mushroom wine and
the Ayahuasca washing through me,
as wave returns to ocean,
return to the Source.
In my belly butterflies,
exploding out through me.
We are home,
reconnecting
after
a long time apart

Love is the Key.
Love is what makes up the Universe

~ Queen Sissy Cogan
and King Spiros of Plomari

And suddenly it was so silent
on the Earth
that I heard a sound
in the old wooden table; tic.
Plomari has been born,
deep music, please

~ Queen Sissy Cogan
and King Spiros of Plomari

Don't wonder anymore why
you recognise me, my Dearest.
We have always been swimming
the same timeless ocean
of Plomari Eternity

~ Queen Sissy Cogan
and King Spiros of Plomari

My friends say I am before my time.
No I'm not, dear friends,
I am completely divorced from time,
I am outside of time in
the timeless Eternity I call Plomari.
That's why some people
don't understand me.

~ Queen Sissy Cogan
and King Spiros of Plomari

Maybe meeting in heart and spirit
through the walls of ages
like we do
is as
intimate
as meeting in the physical world

~ Queen Sissy Cogan
and King Spiros of Plomari

The sad boy said to himself:
*No girl in this town wants a happy
deep souled boy like me,
me the boy with the feather in my hair.
"They" want drama, they want money,
they want a man with a career,
maybe some big muscles and a car.*
The sad boy walked away
into the Plomari Temple
chewing on some magic mushrooms,
sad that all the girls he met search
for the wrong thing in a man.
He closed the gate to the Temple
and smiled, said to himself:
*I'm gonna stop chasing for you now, girl,
you are wasting too much of my time.*

~ King Spiros of Plomari

Meet us on our official website

ArtSetFree.com

I must have struck a chord with somebody up in the office
cuz now they keep telling me I'm causing nothing but trouble,
they deleted my youtube channel trying to silence me,
and now they saying I'm in trouble with the government,
I'm loving it, I shoveled shit all my life now I'm shoving
it on the entire human world.

~ King Spiros of Plomari,
words stolen from the song
White America by Eminem

Can we please
establish more firmly
that sometimes
you can be happy and sad
in the same time

~ King Spiros of Plomari

I think we Plomarians can go further
than you dare imagine

~ King Spiros of Plomari

I thought I told you once already,
Humanity, that you cannot ever break me,
never shake me, and never overtake me.
My eternal Queendom of Plomari will haunt you forever!
It will eat your puny little Human World alive!

~ King Spiros of Plomari,
the Alien who wanted to play

So stop crying, Humanity,
over the fact that I have stolen your Earth,
this planet is my dame now!
You never loved her anyway.

~ King Spiros of Plomari,
the Alien who wanted to play

And it makes the governments so angry
that someone like me can come and
step in front of them and
get all of Humanity on my side!

~ King Spiros of Plomari,
the Alien who wanted to play

I trust my own truth,
I don't need everyone to believe in me,
this shit is between me and God

~ King Spiros of Plomari,
the Alien who wanted to play

The choice is simple, my Dear.
Do you choose fleeting worldly pleasures
or Supreme Plomarian Bliss?

~ King Spiros Ecrof Mar
Eht Niaj Cogan of Plomari

The truth we all need to swallow first
is that the Human World is not our friend.

~ King Spiros Ecrof Mar
Eht Niaj Cogan of Plomari,
the Alien who wanted to play

If you want me then take all of me
maybe you could break me
like no one could

Don't forget, my Love,
that all inventions began as a fantasy.
Let your dreams run free!
The computer, solar power,
the telephone, spacerockets,
inhouse cannabis plantations,
all of it began as a fantasy!
So dream, baby, dream,
and let your fantasy run free!

~ King Spiros Ecrof Mar
Eht Niaj Cogan of Plomari,
the Alien who wanted to play

I believe that if we have the dream,
we could basically replace the entire human world
in no-time, replace all the harmful activities and create something
of a kind of paradise for every living being. The question is:
Do we have that dream or are we going to just continue with
business as usual?

~ King Spiros Ecrof Mar
Eht Niaj Cogan of Plomari,
the Alien who wanted to play

And all you who were standing in my way,
where'd you go now that I have succeeded, hu?

~ King Spiros Ecrof Mar
Eht Niaj Cogan of Plomari,
the Alien who wanted to play

What do you want,
what are your dreams? she asked me.

I trust God, I said.
I'll have what God is having.

~ King Spiros Ecrof Mar
Eht Niaj Cogan of Plomari,
the Alien who wanted to play

And then I treaded into my own Heart.
Dear, our masterpiece and stone
is beyond impossible,
and achieved

~ King Spiros Ecrof Mar
Eht Niaj Cogan of Plomari,
the Alien who wanted to play

My Dearest, my eternal Love,
the Cosmos is just the beginning of Creation.
You need to understand this.
The next step is our eternal Queendom of Plomari

~ King Spiros Ecrof Mar
Eht Niaj Cogan of Plomari,
the Alien who wanted to play

You have no idea how long
I planned this out in my head.
I rest my case. The Magic Psilocybin Mushroom.
That is all, Mankind

~ King Spiros Ecrof Mar
Eht Niaj Cogan of Plomari,
the Alien who wanted to play

Yes bitch, ordinary people
think it's fun to fantasise about such things,
I think it's fun to do them.
Ordinary people just fantasise, I do.

~ King Spiros Ecrof Mar
Eht Niaj Cogan of Plomari,
the Alien who wanted to play

May our Plomarian wildfire
burn in the name of
our Higherness our Mosthighest
Queen Cecilia Mari Cogan of Plomari!
Spread across the world,

and my Ayahuasca!

~ King Spiros Ecrof Mar
Eht Niaj Cogan of Plomari,
the Alien who wanted to play

A wise man once said:
There are no castles to be built
There is nothing to be gotten
Look deep inside your Heart,
sweet soul,
where Love has been forgotten

~ King Spiros Ecrof Mar
Eht Niaj Cogan of Plomari,
the Alien who wanted to play

Anyway Humanity I cannot play your game,
because I am the answer to your prayers.
My dear magic psilocybin mushroom
spread across the Earth!
Ayahuasca spread,
my dear sacred cannabis spread!
May my Plomarian wildfire burn
in the name of our Mosthighest
Queen Sissy Cogan of Plomari!

Please call me Queen Sissy Cogan
and King Spiros of Plomari

I wrote you a two thousand page love letter,
sent it to you one spring morning,
and you said my letter means nothing to you.
Know, dear old friend,
that for this I can no longer
take you as person seriously.
I must leave you now. Goodbye.

Please call me Queen Sissy Cogan
and King Spiros of Plomari

I don't believe your silence,
as the Earth burns down in flames,
and you just stand there year after year,
silent, without rebelling.
You just pretend that nothing is going on,
while people die and animals die in extinctions,
and you just pretend like it's
business as usual.
Know, dear old friend, now my enemy,
know that I can no longer take you
as person seriously.
I don't believe in your silence,
and I myself shall rage against the darkness.

*Please call me Queen Sissy Cogan
and King Spiros of Plomari*

I still find you don't belong with them.
They don't understand what is different about you.
It's time to say goodbye, my Love,
and go claim yourself under the sun.
Grab hold of what is rightfully yours.
Grab hold of your freedom and glory!
I for one shall grab hold of my magic mushroom
and my Ayahuasca and other psychedelic plants!

*Please call me Queen Sissy Cogan
and King Spiros of Plomari*

You ask me where I am from.
I came from the void of my
endless eternal magic mushroom Soul.
I have landed in the midst of human history,
and from here I am directing it.
Come join me and let me show you how to achieve
The Supreme Plomarian Bliss

*Please call me Queen Sissy Cogan
and King Spiros of Plomari*

You can change the world, dear.
Believe in Yourself, and believe in us all.
Believe in the splendor of your own Soul.
You can change the world, my dear.
And together, all of us Plomarians,
together we shall lift the Earth and the Universe,
lift the century,
together we shall lift us all into
the topmost heights of Heaven

*Please call me Queen Sissy Cogan
and King Spiros of Plomari*

Seek not happiness outside of you,
happiness you find within yourself.

I am Happiness

As I sit here naked in the Plomari Palace
sipping magic mushroom wine,
all I can think of is you.
It makes me so happy to know you are here.
You are here, under the same moon as me.
This is why I am happy.
I come to you, my dear,
I come to you without clothes.
I have walked naked and barefoot toward you
since the beginning of time.
I am here now. Will you marry me?

~ King Spiros Ecrof Mar
Eht Niaj Cogan of Plomari,
the Alien who wanted to play

Money, hu. You want money?
I have God.
I have everything I could ever dream of.
I have five billion flowers in my Garden.
I have six trillion stars in my eyes.
I lick pussy for breakfast.
I have red blood flowing through my veins.
I have anger in my heart that fuels me.
I have Love.
I have everything I could ever have dreamed of.
I have a computer.
I have a house.
I have me.
And you come to me trying to trick me
into thinking money is the deal.
It may be the deal of the Devil, yes,
but Satan can not trick me.
I am God. I am one with God at least.
Leave my life, you money-sucking fools!

I must have known I was healing tonight
I must have known about those things they call lies
I close my eyes, and don't say no

~ From the song *So Long* by Sissy

This day all of human history ended for me. I stepped out of it completely. What was it even, what had it been? In my head history ended and instead the Plomarian story began. I looked into the mirror as I sat in the white marble halls of the Plomari Palace, this time I was not sad, this time a light shone in my heart and eyes, and my face looked happy. I turned on the song *Loading Love* by Sissy the girl group, and smiled. My brother Adam was on his way to me with some beer and food. I couldn't wait to tell him about what had happened, that history had ended. I smoked my last shit and waited.

I need the beer to keep on writing.

My power comes from letting God
work his plan and his will through me.
I'm not really trying to make my own
plans happen all the time,
I trust that God's plan is vaster than

so I just follow my Heart in
letting God work his magic through me.
This is where I get my power from,

was never my intention.
At that time I thought it was the right thing to do.
Now that I can remember God again,

No one will ever seduce me into the wrong side.

I believe in abundance.
I believe that Nature is the ultimate opulence.
I believe that there is no wealth but Life itself
and I believe that Life blossoms when there is luxury.
I believe that luxury is a morning coffee
and luxury is to see a flower on the pasture.
I believe you can be spiritual and wealthy
in terms of money in the same time.
I also believe that you don't need money to be wealthy,
wealthy is to be happy within and happy
with your Life as it is now.
I also believe that we are all God's children
and that makes us the luckiest
most fortunate
beings ever.
These are a few things that make me wealthy,
and if you understand my words you see you are too,
whatever your circumstances are right now

Happy New Years from the King of Plomari,

I always laughing because I am so good. You should too. And I am always happy because everything I want exists already. There is pussy, there is music, there is penis, there is the Sun and the Earth, there are flowers, there is friends and family, there is God's Church, there is my wife, there is more pussy and ass, boobs, there is the universe, there are animals, there is Nature, God is here, my wife and her bum is here, there is good food and beer, pink champagne. I am always laughing because I have all this in my life. You should be laughing too, like me.

Dear, I just finished writing my new poetry book *The Supreme Plomarian Bliss*. I don't even know if it is a good book or not but the formula worked, it set me free finally! I am so happy. The war was real, in my head or not; the war was truly real. I won in the end, after years and years of struggle. I conquered myself!

Now I take a deep breath and feel I am back on Plomarian soil, back home in the Garden.
